

# OCULUS | HD Disposable LenZ

For single-use on the ZEISS RESIGHT®

The perfect view  
in every case

- 130° wide angle field of view with outstanding resolution in the periphery
- HD clarity under high magnification reduces the need for a contact lens
- Full-field clarity for decreased scleral depressing and panretinal laser
- Excellent depth of field for better stereopsis
- Improved view during air/fluid exchanges

# NEW HD Disposable LenZ

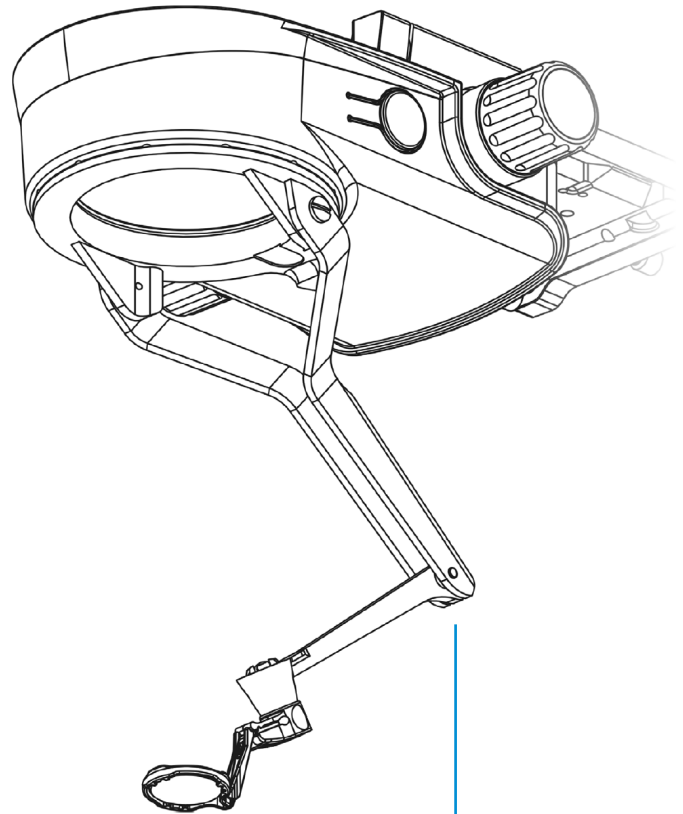

- Always ready, convenient blister pack design
- Minimizes risk of infection and cross contamination
- No sterilization "down time" for O.R. increased efficiency

Convenient and sterile blister package
